Congratulations on taking the first step to organising your Cardiac Screening at New Victoria Hospital. As a part of a special collaboration between the Richmond Heavies Foundation and New Victoria Hospital we are able to offer you a Baseline Cardiac Screen for the heavily subsidised price of £100.

The Cardiac Screen will include:

- **Health and Lifestyle Questionnaire**
- **Consultation with Consultant Cardiologist**
- **ECG**
- **Blood Pressure**

The objectives of screening are to detect certain forms of heart disease; however screening cannot offer 100% detection rates for those conditions.

Step one

Telephone New Victoria Hospital **020 8949 9020**. Book your appointment quoting '**RFC Member Cardio Screen**'. You will be asked to show proof of your membership upon arrival at the Hospital.

Step two

You will receive by email the '**Health and Lifestyle Questionnaire**'. It is important you take the time to fill this out thoroughly **before** attending for your appointment. Please print the questionnaire and bring to your consultation.

Step three

On the day of your appointment you will be seen by a Cardiologist who will make an overall assessment of your Cardiac risk. You may be advised further investigations are warranted which will be discussed with you. Please note should further investigations be indicated these are not covered by the NVH/ Richmond Heavies collaboration and are chargeable at self-pay prices or through private health insurance. Please inform the Cardiologist should your preference to be referred back to your GP to go into the NHS.

The cost of your Cardiac Screen will be payable on the day of your appointment.

Step four

You will be contacted by telephone to book any further investigations requested.
